

Consumables Supply Agreement

A scheduled shipment plan to ensure on-time replacement of consumables for your Milli-Q® water purification system.

It's critical to replace your water purification consumables on time and with genuine ISO 9001-certified parts. But how can you be sure to always have the right consumable at the right time?

Our Consumables Supply Agreement is the simplest, most economical and reliable solution to guarantee your water's quality:

- Reduce administration by processing only a single order
- Never miss an expiry date: Receive consumables at your convenience *before* they are required by the system
- Get preferred pricing
- Maintain the flexibility to adjust shipments to your convenience
- Ensure your water purification system is equipped with only genuine parts from traceable lots, manufactured in our ISO 9001-certified facility

Additionally, we propose a comprehensive range of Milli-Q® Services Plans, from a single preventive maintenance visit to all-inclusive system coverage:

- Plans are designed to optimize system performance, extend lifetime, and ensure you remain compliant with relevant quality standards
- Always receive expert support from fully-trained and Milli-Q®-dedicated field service engineers
- Engineers handle consumable replacements as part of the preventive maintenance
