

Certificate of Compliance

***Re: Directive 2002/95/EC of the European Parliament and of the Council of 27 January 2003 on the restriction of the use of certain hazardous substances in electrical and electronic equipment (RoHS)
and Directive 2002/96/EC of the European Parliament and of the Council of 27 January 2003 on waste electrical and electronic equipment (WEEE)***

SGE hereby certifies that product eVol ® hand held automated analytical syringe is compliant with RoHS and WEEE Directives.

Due diligence in documentary research and discovery confirms the accuracy of the above statement as of the date indicated on this document.

This statement applies to product used in a way for which it was originally designed and intended, it does not apply to product subjected to mishandling, neglect or misuse.

If required, further information may be obtained by contacting the local SGE technical representative or office.
