

Monoclonal Anti-VSV-G Tag, Peroxidase Conjugate Clone P5D4 (A 5977)

Western blot analysis of a VSV-G-tagged fusion protein titration.

Decreasing amount of recombinant VSV-G-LacZ tagged fusion protein were loaded onto lanes of a mini gel, separated on SDS-PAGE, and blotted with Monoclonal Anti-VSV-G Tag, Peroxidase Conjugate (Product No. A 5977). Protein loaded per lane ranged from 5-50 ng.
